Current Mirror

Parameters

A diagram showing a vertical stack of components. From top to bottom, the components are labeled: W_f (with line number 420), L_f (with line number 422), N_f (with line number 424), **Current** (with line number 426), **Style** (with line number 428), **Slice** (with line number 430), and **Bulk Contact** (with line number 432). The labels W_f , L_f , and N_f are in a serif font, while the others are in a bold sans-serif font.
